

Please note: the deadline to purchase toys from our Charitable Sales program for the holiday season is November 15th. Anything received after this date will not qualify for our Charitable Sales Program.

[Fill out the SAVVi Donation Form Below](#)

## Charitable Sales

Our SAVVi Cares™ Charitable Sales program has been created to assist non-profit and charitable organizations in purchasing premium SAVVi products at a reduced cost and is a great alternative for charities who are not able to receive a donation.

Benefits of our SAVVi Cares™ Charitable Sales program include:

(Year-round discounts at 15%-20% off regularly priced merchandise.)

- a. Personalized customer assistance to help with pre-selected items from our product portfolio that will help with your item selections during the busy holiday season.
- b. A wide variety of products from our SAVVi portfolio.
- c. Products for Animal Humane Societies and other animal-related charitable organizations.
- d. Shipping anywhere in the Continental US (shipping costs are the responsibility of the Customer) or in-person pick-up at our warehouse is available and can be scheduled for local charities.

*Donation requests are subject to the following restrictions:*

Organizations receiving SAVVi product donations from our Strategic Philanthropic Partners are ineligible for donations directly from TM International, SAVVi or any of its divisions.

- a. Lobbying, political organizations, and commercial businesses, as well as individual requests that directly benefit only one person, are ineligible. We suggest contacting Toys for Tots, Gifts In Kind, The Salvation Army or your local agencies for these types of requests.
- b. Organizations that resell product donations for profit are ineligible.
- c. The content of the SAVVi donation is dependent on SAVVi's current product inventory available for donation.
- d. Recipient may be responsible for product shipping costs or arranging for pick-up from our warehouse in Tucson, AZ..

Please fill out the form below as completely as possible and submit when finished.

*\* indicates a required field*
